President, Secretary General of National Association/ Federation

Dear Madam/Sir,

On behalf of the Russian Hockey Federation, I am writing to support Mr. Alexey Sorokin for the election to the EuroHockey Executive Board. His engagement, determination and dedication to the development of hockey while succeeding his career in construction industry deserves special recognition. He has extensive experience in management roles, enabling him to serve as the Senior Vice-President of the Russian Hockey Federation, overseeing all the essential activities.

Mr. Sorokin actively works towards promoting the popularity of our sport and expanding its geography while also increasing the number of youth and student tournaments. He consistently demonstrates a strong sense of responsibility, persistence, and initiative in project implementation, actively engaging in both national and international initiatives. This dedication makes him a highly valuable candidate for advancing our sport's development across Europe.

By supporting Alexey's candidacy, I am confident that as an Executive Board member he will bring new ideas, energy and a significant contribution to the development of European hockey by implementing important initiatives for the common good.

Thank you for your attention and support.

Best regards,

President of the Russian Hockey Federation
Mr. Anton Moroz
